

## *New and Reman X426/X430 Compressors*

*The heart of every Thermo King truck and trailer unit.*

# Choose Only Genuine Thermo King

## New C5 Compressors

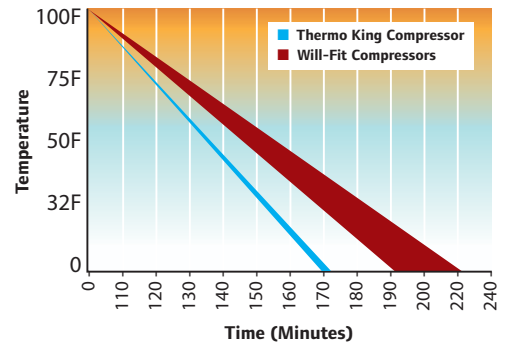

### Don't risk losing a load to compressor failure!

*Genuine Thermo King compressors offer greater reliability, longer life and lower fuel costs.*

- **Proven Reliability** - Engineered by Thermo King and extensively tested for optimum performance and reliability under extreme conditions.
- **Reduced Fuel Consumption** - Tighter manufacturing specifications mean greater efficiency and fuel economy and fewer emissions. 
- **Long Service Life** - Improved materials and engineering make these compressors longer lasting than ever.
- **New High Precision Crankshaft Bearings** - Reduced friction leads to longer compressor life and less fuel consumed.
- **New Oil Pump Housing** - Reduces stress on bearings, increasing compressor lifespan.
- **New Three-Year Warranty** - On dealer installed compressors (two-year on non-dealer installations).

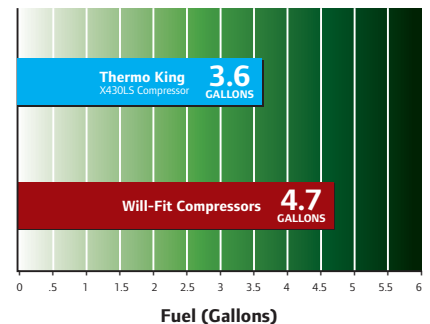

### Faster Pulldown

With both trailer box and ambient air temperatures of 100°F, The Thermo King compressor completed pulldown as much as 53 minutes faster than the will-fit compressors.

### Less Fuel Consumed

The Thermo King compressor-equipped unit used over 1 gallon less fuel than the will-fit compressor-equipped units during the pulldown tests.

### Choose Genuine Thermo King!

Genuine Thermo King compressors are developed by dedicated teams of Thermo King engineers and tested extensively in state-of-the-art R&D centers for high performance and long life. Cheap

imitation compressors and compressor parts reduce performance and efficiency, resulting in higher operating costs. Don't settle for the knockoff - choose the original!

*Thermo King is the Green Leader*

Thermo King offers industry-leading products and solutions that enable businesses around the world to reduce energy consumption and costs and decrease harmful environmental emissions.

The  symbol indicates a feature that delivers a significant environmental advantage over previous models or the competition.

# ng New and Reman Compressors

## Reman C3 Compressors

**Not just rebuilt...  
totally remanufactured.**

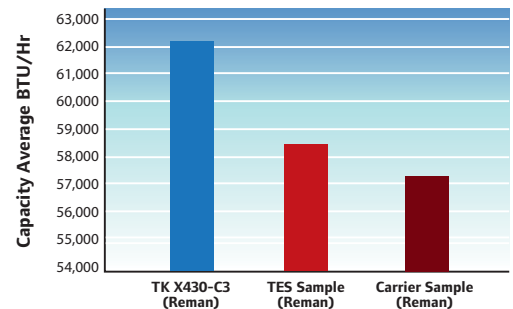

*The Thermo King Reman X430-C3 compressor is remanufactured on the same production line as the original Thermo King X430 compressor, the industry standard.*

### X430-C3 (Remanufactured)

- **Genuine OE Parts**
- **Genuine OE Skilled Manufacturing**
- **Genuine OE Quality, Reliability, and Performance**
- **Two-Year Warranty** - On dealer-installed compressors (one-year on non-dealer installations).
- **Nationwide Dealer Warranty Protection Coverage**
- **Less Fuel Consumed** - Means less carbon emissions. 🌿
- **Recycled Core Components** - Results in less waste. 🌿

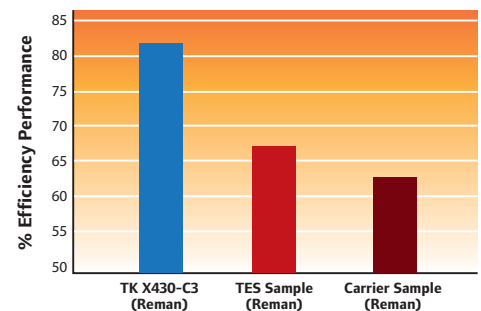

### Higher Capacity

Reman X430-C3 outperformed competition on capacity by up to 9%, which means less run-time, lower wear and greater fuel savings.

### Greater Efficiency

Reman X430-C3 outperformed the competition on efficiency by up to 23%, which means greater fuel savings.

(Performance results based on side-by-side testing)

## A complete range of compressors:

Model	Description	Part Number
X430	New, C5 Bearing System, Large Shaft, Dry.....	102-0900
	New Exchange, C5 Bearing System, Large Shaft, Dry.....	8102-900
	Remanufactured, C3 Bearing System, Large Shaft, Dry.....	8102-940
	New, C5 Bearing System, Large Shaft, 7 Quart Sump, Oil Included.....	102-0902
X426	New Exchange, C5 Bearing System, Large Shaft, 7 Quart Sump, Oil Included.....	8102-902
	New, C5 Bearing System, Small Shaft, Dry.....	102-0920
	New Exchange, C5 Bearing System, Small Shaft, Dry.....	8102-920
	New, C5 Bearing System, Large Shaft, Dry.....	102-0911
	New Exchange, C5 Bearing System, Large Shaft, Dry.....	8102-911

Providing equipment and services to manage controlled-temperature environments for food and other temperature-sensitive products, our Climate Control Technologies sector encompasses both transport and stationary refrigeration solutions. Our product brands include Thermo King®, a world leader in transport temperature control systems, and Hussmann®, a manufacturer of refrigeration and food merchandising equipment.
